## 1. INTRODUCTION

### 1.1 Overview

This Solicitation is issued by the New York State (“NYS”) Office of General Services (“OGS”), Procurement Services for Bituminous Concrete – Hot Mix Asphalt as specified herein for the NYS Department of Transportation (Authorized User shall mean the New York State Department of Transportation ONLY). The solicitation is for specific NYSDOT projects ONLY, which are listed in Attachment 1 – *Pricing*.

There is to be one award for each project. Bidders may bid on one or more projects. Award shall be made by GRAND TOTAL for each project to the lowest responsive and responsible bidder submitting bids on all materials included in each project.

For other bidding opportunities, including centralized contracts for other State agencies or municipalities, please visit the OGS website or NYS Contract Reporter.

This Solicitation outlines the terms and conditions and all applicable information required for submitting a Bid. Bidders should pay strict attention to the Bid submission date and time to prevent disqualification. Bidders are strongly encouraged to read the language of this Solicitation thoroughly and to precisely follow the instructions included in the Solicitation and all attachments.

### 1.2 Scope

Bituminous Concrete is a mixture of stone of various sizes and liquid material. The mixture is heated and proportioned in a bituminous concrete plant and compacted on a road in a heated state. Once the material cools, it becomes a hard durable material. Bituminous concrete is used for roads, parking lots, tennis courts, sidewalks, bike paths, and for patching same. This Solicitation and ensuing contracts provide an avenue for preventive maintenance activities which ensure that highways and bridges meet or exceed their optimum useful life.

All scope changes are subject to the approval of the New York State Office of the State Comptroller as required by law.

### 1.3 Estimated Quantities

A Contract resulting from this Solicitation shall be an estimated quantity Contract. No specific quantities are represented or guaranteed. The Contractor must furnish all quantities actually ordered at or below the Contract prices. The anticipated dollar value of the awards for this Solicitation is approximately \$42,000,000. The individual value of each resultant Contract is indeterminate and will depend upon the number of Contracts issued and the competitiveness of the pricing offered. Authorized User will be encouraged to purchase from Contractors who offer the Products and pricing that best meet their needs in the most practical and economical manner. See Appendix B, *Estimated/Specific Quantity Contracts and Participation in Centralized Contracts*.

Numerous factors could cause the actual quantities of Products purchased under a Contract resulting from this Solicitation to vary substantially from the estimates in the Solicitation. Such factors include, but are not limited to, the following:

- Such Contracts may be non-exclusive Contracts.
- There is no guarantee of quantities to be purchased, nor is there any guarantee that demand will continue in any manner consistent with previous purchases.
- The individual value of each Contract is indeterminate and will depend upon actual Authorized User demand and actual quantities ordered during the contract period.
- The State reserves the right to terminate any Contract for cause or convenience prior to the end of the term pursuant to the terms and conditions of the Contract.
- Contract pricing that is lower than anticipated could result in a higher quantity of purchases by the Authorized User than anticipated.
- Contract pricing that is higher than anticipated could result in a lower quantity of purchases by the Authorized User than anticipated.

By submitting a Bid, Bidder acknowledges the foregoing and agrees that actual good faith purchasing volumes during the term of the resulting Contracts could vary substantially from the estimates provided in this Solicitation.

**1.4 Site Visit**

Vendors intending to submit bids shall examine the sites of the projects and become fully knowledgeable of the quantities, character, location and other conditions affecting the work to be performed; including the existence of poles, wires, ducts, conduits, and other facilities and structures of municipal and other public service corporations on, over, or under the site. No claim will be made against the State due to reliance upon any estimates, test or other representations made by an officer or agent of the State with respect to the work to be performed.

Bidder assumes all risks for timely, properly submitted deliveries. The time of Bid receipt is determined by OGS according to the clock at the above-noted location. A Bidder is strongly encouraged to arrange for delivery of Bids to OGS prior to the date of the Bid opening. Late Bids shall be rejected, except as provided in Appendix B, Late Bids. #### **4.7 Important Building Access Procedures**

To access the Corning Tower, all visitors must check in by presenting photo identification at the information desk. Delays may occur due to a high volume of visitors. Visitors conducting Procurement Services business are encouraged to pre-register for building access by contacting the Procurement Services receptionist at (518) 474-6262 at least 24 hours prior to the visit. Visitors who are not pre-registered will be directed to a designated phone to call the Procurement Services receptionist. The receptionist will register the visitor at that time but delays may occur. Building access procedures may change or be modified at any time.

#### **4.8 NYS Required Certifications**

A Bidder is required to submit the signed New York State Required Certifications (Attachment 2 – *NYS Required Certifications*) with its Bid.

#### **4.9 Bid Deviations**

Bids must conform to the terms set forth in the Solicitation. As set forth in Bidder Questions, if Bidder intends to submit a Bid that deviates from the requirements of the Solicitation in any way, the proposed deviations should be submitted during the Questions period so that they may be given due consideration prior to the submission of Bids. Material deviations (including additional, inconsistent, conflicting, or alternative terms) submitted with the Bid may render the Bid non-responsive and may result in rejection of the Bid.

Bidder is advised that OGS will not entertain any exceptions to Appendix A (Standard Clauses for New York State Contracts). OGS will also not entertain exceptions to the Solicitation or Appendix B (General Specifications) that are of a material and substantive nature.

Extraneous terms submitted on standard, pre-printed forms (including but not limited to: product literature, order forms, license agreements, contracts or other documents) that are attached or referenced with submissions shall not be considered part of the Bid or resulting Contract, but shall be deemed included for informational or promotional purposes only.

#### 4.10 Electronic Bid Opening Results

OGS Procurement Services posts Bid information on the OGS web page. The web page makes selected information available about the Solicitation. Such information is anticipated to be available online within two business days after the Bid opening.

The Bid Opening Results Page is available at: <https://nyspro.ogs.ny.gov/nyspro-bid-openings>.

#### 4.11 Bid Liability

The State of New York will not be held liable for any cost incurred by the Contractor for work performed in the production of a Bid or for any work performed prior to the formal execution of a Contract.

#### 4.12 Firm Offer

Bids must remain an effective offer, firm and irrevocable, for at least 60 calendar days from the due date, unless the time for awarding the Contract is extended by mutual consent of OGS and the Bidder. A Bid shall continue to remain an effective offer, firm and irrevocable, subsequent to such 60 calendar-day period until either tentative award of the Contract by OGS is made or withdrawal of the Bid in writing by the Bidder.

#### 4.12 NYS Reserved Rights

New York State reserves the right, in its sole discretion, to:

- A. Reject any or all Bids received in response to the Solicitation;
- B. Withdraw the Solicitation at any time at the sole discretion of the State;

- W. Award Contracts on a rolling or staggered start basis, either in whole or in part. Contracts awarded in this method shall be coterminous with the first Contract awarded as a result of this Solicitation.

#### **4.13 Incorporation**

Portions of the successful Bidder's Bid and of this Solicitation shall be incorporated into a final Contract, with a separate document executed by Contractor and OGS. A final Contract will be formalized either through a separate contract document or through a contract award letter incorporating the Bid, each having its own provision governing conflict of terms.

## **5.1 METHOD OF AWARD**

### **5.1 Method of Award**

There is to be one award for each project. Bidders may bid on one or more projects. Bidders are not required to bid on all the projects.

Award shall be made by GRAND TOTAL for each project to the lowest responsive and responsible bidder submitting bids on all materials included in each project.

The State reserves the right to reject an obviously unbalanced bid for an individual project or to make "NO AWARD" on an individual project if individual bid prices for a project are deemed to be unbalanced or excessive or if an error in the solicitation becomes evident. The determination of an unbalanced bid shall be at the sole discretion of the State.

### **5.2 Notification of Award**

Tentative award of the Contract shall consist of written notice to that effect by OGS to a selected Bidder, who shall execute a Contract upon a determination by OGS that the Bidder is responsive and responsible.

Non-awardees will also be notified that their Bid was not selected for award.

## 6. TERMS AND CONDITIONS

### 6.1 Contract Term and Extensions

The Contract will be in effect until December 31, 2018. The Contract term shall commence after all necessary approvals and shall become effective upon mailing or electronic communication of the final executed documents to the Contractor (see Appendix B, *Contract Creation/Execution*).

All OGS Contracts resulting from this Solicitation shall have a co-terminus end date. At the State's option, the Contract may be extended for 4 years, in increments as deemed to be in the best interest of the State. Whether the optional extensions are exercised is at the sole discretion of the State. A Contractor shall retain the right to decline a Contract extension offered under this section. Any Contract extension will be under the same terms and conditions, subject to any additional applicable statutory and policy requirements. Any extensions provided under this section shall apply in addition to any rights set forth in Appendix B, *Contract Term – Extension*.

### 6.2 Short term Extension

This section shall apply in addition to any rights set forth in Appendix B, *Contract Term – Extension*. In the event a replacement Contract has not been issued, any Contract let and awarded hereunder by the State may be extended unilaterally by the State for an additional period of up to 30 calendar days upon notice to the Contractor with the same terms and conditions as the original Contract and any approved modifications. With the concurrence of the Contractor, the extension may be for a period of up to 90 calendar days in lieu of 30 calendar days. However, this extension automatically terminates should a replacement Contract be issued in the interim.

### 6.3 Price

Pricing will be collected using Attachment 1 – *Pricing*.

#### 6.3.1 General

Price quoted shall be net per ton, furnished, delivered, dumped into approved spreading machines, placed, and compacted totally by the Contractor. The existing bituminous concrete surface (and any surfaces included in this contract that will be overlaid by this contract) shall be treated with tack coat.

**Tack coat shall be paid under its own item.** The price quoted for the tack coat shall include furnishing, delivering, and applying the tack coat as indicated. Price adjustments, if any, will be calculated on the basis of the material actually furnished.

The vendor is to furnish all necessary labor and equipment to complete the indicated projects except that the State will supervise and control the operation. Permanent pavement striping will be the responsibility of the State upon completion of the paving after the vendor has vacated each project site. The equipment supplied to place the hot mix asphalt shall meet the requirements of Section 402 of the New York State Department of Transportation Standard Specifications. The equipment supplied to place the tack coat shall meet the requirements of Section 407 of the New York State Department of Transportation Standard Specifications.

Hot mix asphalt pavers shall meet the requirements of Sub-Section 402-3.02, Hot Mix Pavers, of the New York Department of Transportation Standard Specifications. Compaction equipment shall meet the requirements of Sub-Section 402-3.04, Rollers of the Specification. All necessary operators shall be supplied along with the hot mix asphalt paver, rollers and distributor.

The approved hot mix asphalt pavers shall be capable of simultaneously paving the travel lanes and the shoulders as indicated in the *Project Dimensions* Table of Attachment 9 - *Special Notes - NYSDOT Specific Projects*. All personnel supplied for the paving shall be qualified and experienced in hot mix asphalt paving.

#### 6.3.2 Insurance

Price bid shall include all required insurance coverage costs

**6.4 Asphalt Price Adjustments**

**6.4.1 General**

- a. Asphalt price adjustments allowed will be based on the **October 1, 2017** average of the F.O.B. terminal price **per ton** of unmodified PG 64S-22 binder without anti-stripping agent (base average F.O.B. terminal price) **for the hot mix asphalt and tack coat.**

**The October 1, 2017 average is \$421,000.**

The new monthly average terminal price will be determined by the New York State Department of Transportation based on prices of pre-approved primary sources of performance graded binder in accordance with the New York State Department of Transportation Standard Specification.

**NOTE:** The same grade of asphalt cement used in establishing the base average F.O.B. terminal price shall be used in establishing the new average F.O.B. terminal price.

In the event that one or more of the New York State Department of Transportation pre-approved sources discontinue posting a price for asphalt cement, the base average F.O.B. terminal **price shall not be recalculated.**

- b. The new average F.O.B. terminal price will be determined based on the above F.O.B. terminal prices posted each month, hereafter known as the “Adjustment Date”, during the contract period. However, asphalt price adjustments, in accordance with the formula below, will be effective for deliveries made on and after the first of the month following the adjustment date.
- c. The unit prices per ton of hot mix asphalt (HMA) and per gallon of tack coat purchased from any award based on this specification will be subject to adjustment based on the following formula:

**Hot Mix**

Price Adjustment (per ton)	=	$\left( \frac{\text{New Monthly Average FOB Terminal Price} - \text{Base Average FOB Terminal Price}}{235} \right)$	X	Total % Asphalt Plus Fuel Allowance
----------------------------	---	---	---	-------------------------------------

**Tack Coat**

Price Adjustment (per gallon)	=	$\left( \frac{\text{New Monthly Average FOB Terminal Price} - \text{Base Average FOB Terminal Price}}{235} \right)$	X	Total % Asphalt Plus Fuel Allowance
-------------------------------	---	---	---	-------------------------------------

Positive Price Adjustment number shall be added to original per ton/gallon Bid Price.

Negative Price Adjustment number shall be subtracted from original per ton/gallon Bid Price.

**New Monthly Average F.O.B. Terminal Price**

The average F.O.B. terminal price for unmodified PG 64S-22 binder without anti-stripping agent is as determined by the New York State Department of Transportation per New York State Department of Transportation Standard Specification.

**Base Average F.O.B. Terminal Price**

The average F.O.B. terminal price of unmodified PG 64S-22 binder without anti-stripping agent is as determined by the New York State Department of Transportation as of October 1, 2017.

**Total % Asphalt plus Fuel**

The percentage of total allowable asphalt and fuel for each item is as follows:

Material Designation	Asphalt %	+Fuel Allowance %	Total % Asphalt Plus Fuel
402.017903	****	1	****
402.018903	****	1	****
402.058903	8.25	1	9.25%
402.068X0318	6.70	1	7.70%
402.09XX03	6.20	1	7.20%
402.12XX03	5.50	1	6.50%
402.19XX03	4.90	1	5.90%
404.01790108	****	1	****
404.01890108	****	1	****
404.09XX0108	6.2	1	7.20%
404.12XX0108	5.5	1	6.50%
407.0102 - Diluted Tack Coat	40.00	0.2	40.20%
407.0103 - Straight Tack Coat	55.00	0.2	55.20%

\*\*\*\*The conversion factor for Truing & Leveling will be computed separately using the conversion factors for the individual mixtures used.

**+Fuel Allowance represents allowance for energy (fuel, electricity, natural gas) used in the production of asphalt. It is a cost associated with the product and not intended to represent any trucking or hauling of product.**

- d. Work performed after the expiration of the contract, where no extension has been granted, resultant from purchase orders placed prior to expiration of the contract will receive the asphalt price adjustments applicable in effect during the last month of the contract.

Asphalt Price Adjustments for any contracts that are extended will be based on the new average for the month in which the work is done applying the same base established for that contract.

- e. Asphalt price adjustments allowed by this contract shall be calculated and applied to the original prices. There will not be asphalt price adjustments unless the change amounts to more than \$0.10 per ton from the original price for the hot mix and \$0.0170 per gallon for the tack coat. In these instances, prices will revert back to the original prices.
- f. All asphalt price adjustments will be computed to three decimal places.
- g. Should these provisions result in a price structure which becomes unworkable, detrimental or injurious to the State or in prices which are not truly reflective of market conditions or which are deemed by the Commissioner to be unreasonable or excessive, and no adjustment in price is mutually agreeable, the Commissioner reserves the sole right upon ten days written notice mailed to the Contractor to terminate any contract resulting from this bid opening.
- h. All asphalt price adjustments shall be published by the State and issued to all contract holders whose responsibility will be to attach the appropriate State notification (based on when the work was performed) to the payment invoice submitted to agency.

### Worker Notification

Labor Law § 220(3-a)(a)(ii) requires Contractors and subcontractors to provide written notice to all laborers, workers or mechanics of the *prevailing wage rate* for their particular job classification *on each pay stub*\*. It also requires Contractors and subcontractors to *post a notice* at the beginning of the performance of every public work Contract *on each job site* that includes the telephone number and address for the Department of Labor and a statement informing laborers, workers or mechanics of their right to contact the Department of Labor if he/she is not receiving the proper prevailing rate of wages and/or supplements for his/her particular job classification. The required notification will be provided with each wage schedule, may be downloaded from [www.labor.ny.gov](http://www.labor.ny.gov) or made available upon request by contacting the Bureau of Public Work at 518-457-5589.

\* In the event that the required information will not fit on the pay stub, an accompanying sheet or attachment of the information will suffice.

### OSHA 10-Hour Construction Safety and Health Course

Labor Law § 220-h requires that on all public work contracts of at least \$250,000, all laborers, workers, and mechanics working on site be certified as having successfully completed the OSHA 10-hour construction safety and health course. It further requires that the advertised bids and contracts for every public work contract of at least \$250,000 contain a provision of the requirement AND only applies to workers on a public work project that are required under Article 8 to receive the prevailing wage.

**Living Wage**

An Authorized User subject to a local law establishing a “living wage”, such as Section 6-109 of the New York City Administrative Code, is required to ensure the Contractor sought to be hired complies with such local law. If the pay rate(s) for a job title(s) is less than the local law “living wage,” then the Authorized User subject to such local law cannot use this Contract for such job title(s). Local laws, however, are not a term and condition of the OGS contract.

SFS is currently on PeopleSoft Financials version 9.2. SFS supports requisition-to-payment processing and financial management functions.

The State is also implementing an eProcurement application that supports the requisitioning process for State Agencies to procure Products in SFS. This application provides catalog capabilities. Contractors with Centralized Contracts have the ability to provide a "hosted" or "punch-out" catalog that integrates with SFS and is available to Authorized Users via a centralized eMarketplace website. Additional information may be found at:

<https://nyspro.ogs.ny.gov/content/nys-emarketplace-1>.

There are no fees required for a Contractor's participation in the catalog site development or management. Upon completion and activation of an on-line catalog, State Agencies will process their orders through the SFS functionality and other Authorized Users can access the catalog site to fulfill orders directly.

The State is also implementing the PeopleSoft Inventory module in the near future to track inventory items within the item master table. Further information regarding business processes, interfaces, and file layouts may be found at: <http://www.sfs.ny.gov> and <http://www.osc.state.ny.us/agencies/guide/MyWebHelp/>.

## 6.15 Contractor Requirements and Procedures for Participation by New York State Certified Minority- and Women-Owned Business Enterprises and Equal Employment Opportunities for Minority Group Members and Women

### I. New York State Law

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations ("NYCRR"), the New York State Office of General Services ("OGS") is required to promote opportunities for the maximum feasible participation of New York State-certified Minority- and Women-Owned Business Enterprises ("MWBs") and the employment of minority group members and women in the performance of OGS contracts.

### II. General Provisions

- A. OGS is required to implement the provisions of New York State Executive Law Article 15-A and 5 NYCRR Parts 140-145 ("MWBE Regulations") for all State contracts as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- B. The Contractor agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to OGS, to fully comply and cooperate with OGS in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women ("EEO") and contracting opportunities for MWBEs. Contractor's demonstration of "good faith efforts" pursuant to 5 NYCRR § 142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the "Human Rights Law") or other applicable federal, State, or local laws.
- C. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, a finding of non-responsibility, breach of contract, withholding of funds, suspension or termination of the Contract, and/or such other actions or enforcement proceedings as allowed by the Contract and applicable law.

### III. Equal Employment Opportunity (EEO)

- A. The provisions of Article 15-A of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to all Contractors, and any subcontractors, awarded a subcontract over \$25,000 for labor, services, including legal, financial and other professional services, travel, supplies, equipment, materials, or any combination of the foregoing, to be performed for, or rendered or furnished to, the contracting State agency (the “Work”) except where the Work is for the beneficial use of the Contractor.
1. Contractor and subcontractors shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability, or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff or termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) the performance of work or the provision of services or any other activity that is unrelated, separate, or distinct from the Contract; or (ii) employment outside New York State.
  2. By entering into this Contract, Contractor certifies that the text set forth in clause 12 of Appendix A, attached hereto and made a part hereof, is Contractor’s equal employment opportunity policy. In addition, Contractor agrees to comply with the Non-Discrimination Requirements set forth in clause 5 of Appendix A.
- B. Form EEO 100 – Staffing Plan
- To ensure compliance with this section, the Contractor agrees to submit, or has submitted with the Bid, a staffing plan on Form EEO 100 to OGS to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and federal occupational categories.
- C. Form EEO - 101 - Workforce Utilization Reporting Form (Commodities and Services) (“Form EEO-101-Commodities and Services”)
1. The Contractor shall submit, and shall require each of its subcontractors to submit, a Form EEO-101-Commodities and Services to OGS to report the actual workforce utilized in the performance of the Contract by the specified categories listed including ethnic background, gender, and Federal occupational categories. The Form EEO-101-Commodities and Services must be submitted electronically to OGS at EEO\_CentCon@ogs.ny.gov on a quarterly basis during the term of the Contract by the 10th day of April, July, October, and January.
  2. Separate forms shall be completed by Contractor and all subcontractors.
  3. In limited instances, the Contractor or subcontractor may not be able to separate out the workforce utilized in the performance of the Contract from its total workforce. When a separation can be made, the Contractor or subcontractor shall submit the Form EEO-101-Commodities and Services and indicate that the information provided relates to the actual workforce utilized on the Contract. When the workforce to be utilized on the Contract cannot be separated out from the Contractor's or subcontractor's total workforce, the Contractor or subcontractor shall submit the Form EEO-101-Commodities and Services and indicate that the information provided is the Contractor's or subcontractor's total workforce during the subject time frame, not limited to work specifically performed under the Contract.
- D. Contractor shall comply with the provisions of the Human Rights Law and all other State and federal statutory and constitutional non-discrimination provisions. Contractor and subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status, or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal and conviction and prior arrest.

#### IV. Contract Goals

- A. For purposes of this procurement, OGS conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set goals for participation by MWBEs as subcontractors, service providers, or suppliers to Contractor. Contractor is, however, encouraged to make every good faith effort to promote and assist the participation of MWBEs on this Contract for the provision of services and materials. The directory of New York State Certified MWBEs can be viewed at: <https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp?TN=ny&XID=2528>. Pursuant to 5 NYCRR § 142.8, evidence of good faith efforts shall include, but not be limited to, the following:

  2. A list of the certified MWBEs appearing in the Empire State Development (“ESD”) MWBE directory that were solicited for this Contract. Provide proof of dates or copies of the solicitations and copies of the responses made by the certified MWBEs. Describe specific reasons that responding certified MWBEs were not selected.
  3. Descriptions of the Contract documents/plans/specifications made available to certified MWBEs by the Contractor when soliciting their participation and steps taken to structure the scope of work for the purpose of subcontracting with, or obtaining supplies from, certified MWBEs.
  4. A description of the negotiations between the Contractor and certified MWBEs for the purposes of complying with the MWBE goals of this Contract.
  5. Dates of any pre-bid, pre-award, or other meetings attended by Contractor, if any, scheduled by OGS with certified MWBEs whom OGS determined were capable of fulfilling the MWBE goals set in the Contract.
  6. Other information deemed relevant to the request.

#### V. Fraud

Any suspicion of fraud, waste, or abuse involving the contracting or certification of MWBEs shall be immediately reported to ESD’s Division of Minority and Women’s Business Development at (855) 373-4692.

### 6.16 Participation Opportunities For New York State Certified Service-Disabled Veteran Owned Businesses

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses (“SDVOBs”), thereby further integrating such businesses into New York State’s economy. OGS recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of OGS contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

For purposes of this procurement, OGS conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to Contractor. Nevertheless, Bidder is encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials. The directory of New York State Certified SDVOBs can be viewed at: <https://online.ogs.ny.gov/SDVOB/search>.

Bidder is encouraged to contact the Division of Service-Disabled Veteran's Business Development at 518-474-2015 to discuss methods of maximizing participation by SDVOBs on the Contract.

### **6.17 Use of Recycled or Remanufactured Materials**

New York State supports and encourages Contractors to use recycled, remanufactured or recovered materials in the manufacture of Products and packaging to the maximum extent practicable without jeopardizing the performance or intended end use of the Product or packaging unless such use is precluded due to health or safety requirements or Product specifications contained herein. Refurbished or remanufactured components or Products are required to be restored to original performance and regulatory standards and functions and are required to meet all other requirements of this Solicitation. Warranties on refurbished or remanufactured components or Products must be identical to the manufacturer's new equipment warranty or industry's normal warranty when remanufacturer does not offer new equipment. See Appendix B, *Remanufactured, Recycled, Recyclable or Recovered Materials*.

### **6.18 Environmental Attributes and NYS Executive Order Number 4**

New York State is committed to environmental sustainability and endeavors to procure Products with reduced environmental impact. One example of this commitment may be found in Executive Order No. 4 (Establishing a State Green Procurement and Agency Sustainability Program), which imposes certain requirements on State Agencies, authorities, and public benefit corporations when procuring Products. More information on Executive Order No. 4, including specifications for offerings covered by this Contract, may be found at <https://www.ogs.ny.gov/greenny/green-product-specs.asp>. State entities subject to Executive Order No. 4 are advised to become familiar with the specifications that have been developed in accordance with the Order, and to incorporate them, as applicable, when making purchases under this Contract.

### **6.19 Consumer Products Containing Mercury**

Contractor shall comply with the requirements of Title 21 of Article 27 of the NYS Environmental Conservation Law regarding restrictions on the sale, purchasing, labeling and management of any products containing elemental mercury under this Contract.

### **6.20 NYS Vendor Responsibility**

OGS conducts a review of prospective Contractors ("Bidders") to provide reasonable assurances that the Bidder is responsive and responsible. A For-Profit Business Entity Questionnaire (hereinafter "Questionnaire") is used for non-construction Contracts and is designed to provide information to assess a Bidder's responsibility to conduct business in New York based upon financial and organizational capacity, legal authority, business integrity, and past performance history. By submitting a Bid, Bidder agrees to fully and accurately complete the Questionnaire. The Bidder acknowledges that the State's execution of the Contract will be contingent upon the State's determination that the Bidder is responsible, and that the State will be relying upon the Bidder's responses to the Questionnaire, in addition to all other information the State may obtain from other sources, when making its responsibility determination.

OGS recommends each Bidder file the required Questionnaire online via the New York State VendRep System. To enroll in and use the VendRep System, please refer to the VendRep System Instructions and User Support for Vendors available at the Office of the State Comptroller's (OSC) website at <http://www.osc.state.ny.us/vendrep/index.htm> or to enroll, go directly to the VendRep System online at <https://portal.osc.state.ny.us>.

Vendors must provide their New York State Vendor Identification Number when enrolling. For information on how to request assignment of a Vendor ID, see the NYS Vendor File Registration section. OSC provides direct support for the VendRep System through user assistance, documents, online help, and a help desk. The OSC Help Desk contact information is located at <http://www.osc.state.ny.us/portal/contactbuss.htm>. Bidders opting to complete and submit the paper questionnaire can access this form and associated definitions via the OSC website at [http://www.osc.state.ny.us/vendrep/forms\\_vendor.htm](http://www.osc.state.ny.us/vendrep/forms_vendor.htm).

In order to assist the State in determining the responsibility of the Bidder prior to Contract award, the Bidder must complete and certify (or recertify) the Questionnaire no more than six (6) months prior to the Bid due date. A Bidder's Questionnaire cannot be viewed by OGS until the Bidder has certified the Questionnaire. It is recommended that all Bidders become familiar with all of the requirements of the Questionnaire in advance of the Bid opening to provide sufficient time to complete the Questionnaire.

The Bidder agrees that if it is awarded a Contract the following shall apply:

The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner of OGS, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

The Commissioner of OGS, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of OGS issues a written notice authorizing a resumption of performance under the Contract.

The Contractor agrees that if it is found by the State that Contractor's responses to the Questionnaire were intentionally false or intentionally incomplete, on such finding, the Commissioner may terminate the Contract.

Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate OGS officials or staff, the Contract may be terminated by the Commissioner of OGS at the Contractor's expense where the Contractor is determined by the Commissioner of OGS to be non-responsible. In such event, the Commissioner of OGS may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

In no case shall such termination of the Contract by the State be deemed a breach thereof, nor shall the State be liable for any damages for lost profits or otherwise, which may be sustained by the Contractor as a result of such termination.

#### **6.21 NYS Tax Law Section 5-a**

Tax Law § 5-a requires certain Contractors awarded State Contracts for commodities, services and technology valued at more than \$100,000 to certify to NYS Department of Taxation and Finance (DTF) that they are registered to collect New York State and local sales and compensating use taxes. The law applies to Contracts where the total amount of such Contractors' sales delivered into New York State is in excess of \$300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made, and with respect to any affiliates and Subcontractors whose sales delivered into New York State exceeded \$300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made.

A Contractor is required to file the completed and notarized Form ST-220-CA with the Bid to OGS certifying that the Contractor filed the ST-220-TD with DTF. Only the Form ST-220-CA is required to be filed with OGS. The ST-220-CA can be found at [https://www.tax.ny.gov/pdf/current\\_forms/st/st220ca\\_fill\\_in.pdf](https://www.tax.ny.gov/pdf/current_forms/st/st220ca_fill_in.pdf). The ST-220-TD can be found at [http://www.tax.ny.gov/pdf/current\\_forms/st/st220td\\_fill\\_in.pdf](http://www.tax.ny.gov/pdf/current_forms/st/st220td_fill_in.pdf). Contractor should complete and return the certification forms within five (5) business days of request (if the forms are not completed and returned with Bid submission). Failure to make either of these filings may render a Contractor non-responsive and non-responsible. Contractor shall take the necessary steps to provide properly certified forms within a timely manner to ensure compliance with the law. The ST-220-TD only needs to be filed once with DTF, unless the information changes for the Contractor, its affiliates, or its Subcontractors.

Vendors may call DTF at 518-485-2889 with questions or visit the DTF web site at <http://www.tax.ny.gov/> for additional information.

#### **6.22 Drug and Alcohol Use Prohibited**

For reasons of safety and public policy, in any Contract resulting from this Solicitation, the use of alcoholic beverages or illegal drugs by the Contractor's personnel shall not be permitted in performance of the Contract.

#### **6.23 Traffic Infractions**

Neither the State nor the Authorized User will be liable for any expense incurred by the Contractor's personnel for any parking fees or as a consequence of any traffic infraction or parking violation attributable to employees of the Contractor in performance of the Contract.
